

## 2015 Hyundai Sonata Goes LED-Crazy: Light Tuning from Korea [Video] [Photo Gallery]

26/09/2014 13:09 by admin

When talking about tuning, Korean design is often overlooked, purely because their Japanese counterparts have been doing it for far longer. However, both Kia and Hyundai now make aggressive-looking sports models and this is reflected in the aftermarket scene, at least domestically. We've recently stumbled upon something called "LED tuning" taking the land of the Gangnam Style by storm. Using the latest generation o... [...]
