

Japanese Kit Turns Toyota GT 86 into Lexus Lookalike with Spindle Grille - Photo Gallery

28/04/2015 19:50 by admin

There's no shame in admitting you like the Toyota GT 86 or Scion FR-S for the sweet handling. However, it's not as bold to look at as a Ford Mustang or a Camaro. That can all be fixed, thanks to a body kit like no other from Japanese tuning company Aimgain. You've probably neve[...]
