

Mansory Mercedes S63 AMG in Yellow and Carbon Fiber: Taxi or German Bumblebee?

04/05/2015 22:02 by admin

Did you ever wonder what Transformers would look like if all the cars were German ones? If you replace those Chevy tin boxes with twin-turbo muscle and make Optimus a Unimog, it would make for one heck of a movie. Bumblebee's yellow and black color combination was the first thing we thought of when we saw this impressive Mansory Mercedes S63 AMG. Why? It's simple: because yellow and black are his trademark colors. German tuning [...]
