

Mercedes S63 AMG-Based Brabus 850 Causes Small Earthquake in Monaco

07/05/2015 03:29 by admin

If you want to turn the obnoxiousness dial to eleven on your new Mercedes S63 AMG, you can take it to Brabus and have them make it much louder and more powerful than you really need.

The tuner offers the 850 pack which is called that based on the horsepower the car makes after the modifications.[...]
