

ABT Audi TT Roadster Has 310 PS and a Wing - Photo Gallery

09/05/2015 17:51 by admin

At first, we were reluctant to show you this Audi TT Roadster tuned by ABT because we thought the parts were the same as on the coupe. However, upon closer inspection we realized that the little rocket looked stunning in every way, and so it deserves a moment under the spotlight. Launched in Europe last year, the TT Roadster is a bit heavier, slower and more expensive than its coupe brother. Cargo capacity is also compromised, and you don... [...]
