

## Hulk Green Dodge Challenger Scat Pack Gets Liberty Walk Body Kit - Photo Gallery

07/08/2015 20:02 by admin

The Liberty Walk tuning company started out with Nissans and Hondas, but we can barely remember any of the originals nowadays. That's because they switched from Japanese to European exotics, stuff like Ferraris and Lambos. The Dodge Challenger is not a Ferrari, but if you park one in Maranello, a huge crowd will surely gather. That's especially true if it's green and equipped with one set of flared fenders. [...]
