DMC Reveals Lamborghini Huracan LP1088 E-GT with Twin-Turbo V10 - Photo Gallery

24/09/2015 01:24 by admin

Seeing a Lamborghini Huracan on the street is still exciting, but for the rich "kids" at the Dubai or Monaco playgrounds a standard model isn't enough. German tuners DMC have already released several projects targeting the Huracan and adding everything from larger wings to a lot more power. However, this is their best work yet. It's called the DMC Lamborghini Huracan E-GT and may be [...]
