[Gemballa](#) released new set of photos with their Tornado 750 GTS.

Engineers have made a few changes to the 4-seater SUV:

At the front, there are new teardrop-shaped headlights from Carrera GT-based Gemballa Mirage GT. Slight modifications for the front bumper with integrated LED fog lights plus the integrated in the grille camera which is part of the night vision system.

New rear window spoiler design with three sections of lighting.

For €400,000 you also get electronic lowering, 415/380mm brake system with six-piston calipers in the front, and four-piston calipers at the back, 12x22" GT Sport Forged Wheels and full leather & alcantara and carbon interior and front and rear center console between the sport seats.

The stripped chassis combined with 750-horsepower turbo V8 engine that produces up to 1,050 Nm, this vehicle reaches top speed of 300km/h and hits 0 – 100km/h in 4.3s.
