

Mercedes CLK63 AMG

12/01/2009 13:38 by Hot Tuned Cars

Mercedes CLK 63 AMG Black Series wasn't strong enough for the guys at Vorsteiner, that redid the whole thing, from the exterior design to the performances. This is one of those Exotic Cars that needed to be remodeled. After all this, the tuners called it Black Widow. The engineers at Vorsteiner created a carbon fiber front bumper and an [...]
