

Get The Corvette-Engined Truck Chevy Won't Build [Video]

08/01/2011 16:51 by admin

GM never built a production version of the Ram SRT10-fighting Chevy Silverado 427 Concept. Four years after the truck's SEMA debut the wrench-turners at Houston's Fastlane have recreated the concept with their 500 hp, Corvette-powered 427SS Silverado. [...]
