

Mercedes-Benz's Forgotten Gullwing Gets a Doppelganger [Tuner Cars]

08/01/2011 22:03 by admin

Mercedes rocked the concept-car world with the Wankel-powered C111 back in 1970. Now, GWA's reviving the sadly neglected "second gullwing" Merc's shape with a one-off prototype called the Ciento Once. And once it's done, maybe you can buy it. [...]
