

Porsche 911 GT2 RS by Techart

12/01/2011 18:43 by admin

Sure we all want to take our turn driving around in the new 2011 Porsche GT2 RS. Unfortunately, with a limited run of 500 units and the fact that they have all been sold out already, chances of that happening are about slim to none. What makes the situation even more unfortunate for us is the fact that TechArt has already found a way to improve on Porsche's most powerful street-legal model ever. Yeah, they are that good.[...]
