

VIDEO: RC Drifters at the 2011 Tokyo Auto Salon

16/01/2011 19:11 by admin

Drifting usually involves insanely powerful tuner cars, lots of smoke and some highly skilled drivers. But it turns out that you don't even have to have a driver's license to drift like a true professional. Don't believe us? Then just take a look at the radio controlled car in the video after the break, which was provided by Carscoop's very own[...]
