

Project Kahn gives the 2011 Audi Q7 a Styling Makeover

18/01/2011 22:12 by admin

Striving to improve the look of the 2011 Audi Q7, British tuner Project Kahn released a comprehensive styling package for the German SUV. While there's nothing wrong with that, we feel that an engine conversion would've been a welcome addition as well, justifying the aggressiveness of the wide body kit. Taking inspiration from the firm's[...]
