If anyone thought that a pink Bugatti Veyron was the best way to ruin a sports car then we think it's high time we introduced those people to the TRON-themed Audi R8 by West Coast Customs and Monster Cable. One look at this car and one word will come to mind: sick. And we mean that as literally becoming physical ill upon viewing it. Having a special Tron motorcycle is one thing, but transferring those ideas to a car is just a heartbreaking overkill.[...]
