

MR Car Design Tunes 374-horse Audi Q7 V8 TDI, Brings its Styling in Line with the Facelift Model

20/01/2011 00:32 by admin

The pre-facelift Audi Q7 4.2 TDI is the focus of MR Car Design's latest tune. The German firm starts off with the exterior styling of the large SUV, bringing it in line with the refreshed Q7. The kit includes a front bumper with LED daytime running lights, new headlamps and LED tail lights. There's also a new set of 22-inch wheels wrapped in[...]
