

VeilSide 4509 GTR is a Toyota Supra IV with an Identity Crisis

23/01/2011 03:54 by admin

Japanese tuners sure love breaking the mold and shocking people with their creations. Revealed at the Tokyo Auto Salon, the 4509 GTR is the product of VeilSide, a Japan-based tuning firm established in 1990 by Yokomaku Hironao. It is based on a fourth generation Toyota Supra Turbo from 1993 and has received a complete makeover with the exterior[...]
