G-Power Receives First Batch of BMW M3 GTS Coupes, Expect at Least 600HP

23/01/2011 23:09 by admin

With 450HP on tap, the limited edition BMW M3 GTS is not only more powerful than the stock M3, but it?s also lighter and comes with a full-blown racing suspension, making it arguably the best 3-Series model of its generation. Nevertheless, famed BMW tuner G-Power thinks something?s missing, namely ?the ultimate output?. That?s why the[...]
