

Tokyo Auto Salon 2011 Mega Photo Gallery [Part 1]

25/01/2011 23:48 by admin

The Tokyo Auto Salon is Japan's equivalent of North America's largest tuning event, the SEMA show, and like its Las Vegas counterpart, the Tokyo event attract myriads of independent tuners as well as major automakers. In fact there are so many new production and conceptual proposals that it's virtually impossible to report on each and every custom...
