

Mercedes-Benz A22 AMG

27/01/2011 02:16 by admin

The premium hatchback war that's been boiling over the past few years is about to get a lot more interesting, thanks in large part to a certain German automaker that's looking to release an AMG-stamped model of their new A-Class vehicle. Mercedes-Benz is no stranger to high-performance cars and predictably enough, they've got a pretty imposing one waiting in the pipeline for its unveiling later this year. The car is the Mercedes A22 AMG and recently, some pretty interesting information regarding the future of this latest AMG Mercedes was leaked out.[...]
