

Red Hot Audi R8 Spyder with 600 Ponies will Burn your Pockets

27/01/2011 04:19 by admin

If the factory ready Audi R8 Spyder isn't quite to your liking, perhaps the tuning folks over at Sport Wheels can help you build the roadster of your dreams, albeit at a very, very steep price. If our calculations are correct, the full treatment will cost you around ?62,000 (US\$85,000 at the current exchange rates) or about half the price of an...
