

How do you Say Camaro in German? Schmidt Revolution's 625HP Supercharged Chevy

28/01/2011 03:45 by admin

It's not very often that we come across European tuners doing their thing on good ol' American muscle - and for a very good reason as there are more chances of seeing a snow storm in Florida...in the summer than a Chevrolet Camaro in Europe. That said, Schmidt Revolution's tuning proposal certainly piqued our curiosity. The German tuning...
