AC Schnitzer Offers First Batch of Goodies for MINI Countryman

29/01/2011 05:11 by admin

German tuner AC Schnitzer has launched its first tuning package for the MINI Countryman. The focus is clearly on the wheels, as clients can choose between four different designs in two different sizes (18- or 19-inch) to go with the two-tone white and black exterior paint job. In fact, AC Schnitzer has just broken a personal record: in a company.[...]
