

The First Tuner Mustang [Car History]

29/01/2011 22:24 by admin

___ It was 46 years ago last Thursday when the world was introduced to the first tuner mustang, the 1965 Shelby GT350 (1966 pictured). The GT350 was the first Mustang produced by an aftermarket company like Shelby. (Photo Credit: [aldenjewell](#)) [More »](#)
