

## MINI Countryman R60 accessories by AC Schnitzer

31/01/2011 22:07 by admin

BMW Group tuning specialist AC Schnitzer has a few accessories for MINI's newest model, the Countryman. When the Countryman came onto the European market 4 months ago, the German tuner took a look at their parts shelves and found a few things. Nothing extravagant but enough to satisfy the urge of new MINI owners keen to personify their all-wheel-drive crossover SUVs. [...]
