

224 mph on the autobahn in a station wagon [Video]

02/02/2011 17:51 by admin

G-Power's twin-supercharged BMW M5 Hurricane RS is a feast of numbers: 750hp, or 243hp more than stock. It's topped out at 228 mph on a test track. Now watch a Touring do nearly that, slicing past practically-stationary semis.[...]
