

## Chicago Preshow: Lexus CT 200h Concept Tune by Five Axis

02/02/2011 19:52 by admin

Lexus will be showing off a wilder CT 200h prepared by parent company Toyota's tuning partner Five-Axis at the upcoming 2011 Chicago Auto Show, which runs for the public from February 11 to 20. The highly-modified Five Axis Project CT will be dressed in a custom made wide body kit with hybrid's bad-boy appearance further enhanced by the JDSU ?Dark...
