

BRABUS ECO PowerXtra D6S performance kit for the Mercedes-Benz S350 BlueTec

03/02/2011 04:57 by admin

BRABUS, Mercedes-Benz tuner from Germany, has unveiled its new ECO PowerXtra D6S performance kit for the Mercedes-Benz S350 BlueTec. With this kit, BRABUS has created the world's first tuned diesel-powered vehicle that meets the EURO VI exhaust emission standard scheduled to go into effect in 2014. The kit is designed to work as a plug-and-play [...]
