

Range Rover Sport Trio from Project Kahn

03/02/2011 19:08 by admin

British tuning firm Project Kahn has presented its 2011 lineup of modified Range Rover Sport models, which comprise three variants featuring select exterior and interior appointments, plus some performance upgrades. The diesel-powered Range Rover Sport 3.0 TDV6 RSE Signature Edition is the entry-level model of the range, and it comes with a[...]
