The now famous British tuner Project Kahn has revealed an impressive update package not for one, but for three Range Rover Sport models. Standing side by side, you'll have to choose from: Range Rover Sport TDV6 RSE Signature Edition, t Range Rover Sport RSE300 or the Range Rover Sport RS600. The entry level, the RSE Signature Edition features a front bumper unit, rear bumper unit, roof wing, RS twin mesh front grille, a pair of bullet side vent inserts and of course a new set of 22" RSL alloy wheel. On the interior it gets bespoke front headrests in twin mesh, Kahn speedo and rev counter, Kahn time clock and bezel insert with Swarovski diamonds, Kahn stainless steel door entry sills, a Kahn leather keyring and a Project Kahn Acoustic Supersound diagonal quad exhaust system which emits a unique deep rumble sound.[...]
