

Porsche Tuning Specialist TECHART Opens U.S. Subsidiary in California [Mega Gallery Alert]

04/02/2011 23:59 by admin

Good news for Porsche owners in America who'd like to have their sports cars and SUV models tuned by Techart as the German company has finally opened a US headquarters in Irvine California. "The new subsidiary ensures a faster product supply to all its customers and sales partners," Techart said in a statement. The company said that it its US[...]
