

German Tuner Thinks Louis Vuitton-esque MINI JCW with up to 252HP Looks Kewl

07/02/2011 19:13 by admin

We're no luxury handbag experts, but the first thought that comes to mind upon seeing CoverEFX's MINI John Cooper Works [JCW] tuning proposal is a....Louis Vuitton bag on wheels. For obvious reasons, the monogram canvas is different than the one found on the products of the famous French design house, but its styling as well as the colors and the...
