

## Lumma CLR 558 GT

08/02/2011 00:16 by admin

Ever since its official launch the new generation Porsche Cayenne has received lots of impressive tuning package. The latest one comes from Lumma Design and includes both exterior and interior updates, but also an impressive engine update. The CLR 558 GT package includes a new front spoiler, rear bumper, side skirts, sporty looking bonnet and rear spoiler, but also lots of carbon fiber elements: rear lip, rear diffuser and front spoiler bottom all made from the ultra-light yet sturdy material. The whole look is completed by new exhaust system with middle tailpipe of a diameter of 100 millimeters flanked by the two 80 millimeter ones. The CLR 558 GT sits on 22" sports rims.[...]
