Off-road tuning company XPLORE Vehicles already has a very strong fleet of modified vehicles from its Venchurs XPLORE Adventure Series. Now, they're getting ready to introduce the latest members of the family after the company laid out the plans for the Jeep line-up of vehicles. In choosing from four levels of equipment ? STAGE 1 to 4 - families can experience the thrill of the outdoors with a feature-heavy Jeep that can cater to a lot of outdoor needs. According to XPLORE, the Stage 1 XPLORE Adventure Series will be made available for all models where as Stages 2, 3, and 4 will only be available for the Jeep Wrangler.[...]
