

Geneva Preshow: ABT Adds Style and Power to New Audi A7 Sportback

12/02/2011 02:34 by admin

Less than month after ABT announced its plans to unveil its tuning take on the new Audi A7 Sportback at the upcoming Geneva Motor Show, the Volkswagen Group specialist has shared the first photos and details on its available packages. The rather modest cosmetic upgrades include a front apron along with discreet side skirts and a rear apron[...]
