

MR Car Design Tunes up the Pre-Facelift Mercedes-Benz SL 65 AMG

14/02/2011 23:45 by admin

The pre-facelift Mercedes-Benz SL 65 AMG is the object of MR Car Design's latest tuning program. The exterior kit for the hardtop roadster model includes a lightweight carbon fiber hood from Kicherer, smoked up turn signals all around and the rear diffuser from the newer 2009MY SL 65 AMG. A set of shiny 20-inch alloy wheels from Carlsson and[...]
