

SpeedART Goes Extra Wide with New Porsche Cayenne Titan EVO-XL 600

16/02/2011 01:20 by admin

Even though the Essen Motor Show sounds like a more appropriate event for a tuning proposal like the Titan EVO-XL 600, the crew at SpeedART has decided to unveil its latest offering for the 2011 Porsche Cayenne at the Geneva Motor Show this March. If the Cayenne Titan EVO-XL looks familiar, that's because it's wider-body version of the Titan EVO[...]
