

## edo Competition Lamborghini Murcielago LP750

21/02/2011 19:39 by admin

edo Competition, car tuner from Germany, has modified the Lamborghini Murcielago LP640 to produce 750 hp instead of the stock 640 hp thus the name LP750. The edo Competition Lamborghini Murcielago LP750 is powered by the stock 6.5-liter V12 engine which is fitted with redesigned air intake system with custom air boxes with sports air [...]
