

Geneva Preshow: Novitec Rosso Gives the Ferrari 458 Italia 39 More Ponies

22/02/2011 23:57 by admin

Upgrading a Ferrari is a tricky job, but the guys at Novitec Rosso seem to be pretty good at it, judging from their latest interpretation of Ferrari's thoroughbred sportscar, the 458 Italia. The German aftermarket specialists offer a complete package that includes engine tuning, aerodynamic tweaks and styling upgrades, inside and out. The[...]
