

NOVITEC ROSSO Ferrari 458 Italia

23/02/2011 18:23 by admin

Recently NOVITEC ROSSO unveiled the first details and images of its tuned Ferrari California known as Race 606 but the tuner from Germany will also present its Modified Ferrari 458 Italia at the 2011 Geneva Motor Show next week. The NOVITEC ROSSO Ferrari 458 Italia is fitted with new carbon fiber airbox, nickel-chromium-based superalloy Inconel [...]
