

Geneva Preshow: Brabus Unleashes its Tune for the New Mercedes-Benz CLS

23/02/2011 20:24 by admin

The arrival of the second generation Mercedes-Benz CLS sports sedan has Brabus getting ready to present its tuning program for the sports sedan at next week's Geneva Motor Show. For the 2012 CLS, the German tuning house prepared a variety of aero-enhancements, interior goods and performance upgrades. Aesthetically, the Mercedes-Benz tuning[...]
