

Infiniti Dealer in Germany Presents Tuning Package for M30d

25/02/2011 16:18 by admin

Given that Infiniti is making its first steps in Europe, very few tuners in the market have touched the Japanese brand's products. Having said that, it shouldn't come as a surprise that an Infiniti dealer has stepped in to fill the void. In particular, Infiniti Centre Hamburg in Germany has released two tuning packages for the recently launched[...]
