

## Maybach 57S Coupe by Xenatec

28/02/2011 18:19 by admin

Who is Xenatec? Well, if you've been around the tuning block, you've probably heard of this German coachbuilder who has been announcing plans for amazing cars for quite some time now. After years of talking, Xenatec finally released their latest creation, the Maybach 57S Coupe. The German coachbuilder will be bringing their new prized vehicle to Geneva, but ironically enough, the launch won't take place at the 2011 Geneva Motor Show. Instead of joining the rest of the automotive world at the Palexpo Center, Xenatec will be pulling the covers off of the new 57S Coupe at a specially built pavilion in the gardens of 'La Reserve' hotel on the banks of Lake Geneva.[...]
