

Mansory Adds Carbon Fiber Body and 89 Ponies to Mercedes-Benz SLS AMG

28/02/2011 22:22 by admin

The Swiss aftermarket specialist Mansory has unveiled its take on the the Mercedes-Benz SLS AMG supercar and the result of their work is very different from what they began with. For starters, the tuners replaced the Gullwing-door model's aluminium bodyshell with a carbon fiber one, shaving 90 kg of the car's weight in the process. The style is[...]
