

Hamann Gives the Mercedes-Benz SLS AMG the Hawk Treatment

01/03/2011 03:27 by admin

Mansory won't be the only tuning firm to unveil its interpretation of the Mercedes-Benz SLS AMG at the 2011 Geneva Motor Show, as Hamann Motorsport has prepared its own version of the gull-winged supercar called the 'Hawk'. Starting with the engine bay, the SLS AMG's 6.2-liter V8 engine receives an additional 65 horsepower, for a total of 636HP...[...]
