

Geneva 2011: Alpina BMW B5 Bi-Turbo Touring is a 5-Series Estate on Steroids

02/03/2011 14:53 by admin

Catering to the needs of those looking for an über fast premium station wagon, longtime BMW tuning house Alpina has developed the B5 Bi-Turbo Touring based on the station wagon version of the latest 5-Series. With 507HP and 700Nm (516 lb-ft) under the hood and up to 1,670 liters of storage space, Alpina's creations is a party animal at the front[...]
