

Geneva 2011: Novitec Rosso Supercharges the Ferrari 599 GTO to 888 Ponies

02/03/2011 19:55 by admin

Ferrari's most exclusive and powerful series production model, the 599 GTO, doesn't seem fast enough for the aftermarket specialists at Novitec Rosso. This is why the tuning house brought to Geneva Motor Show the 599 GTO Bi-Kompressor, their own version of the Prancing Horse's fastest car. As the name suggests, Novitec Rosso engineers fitted[...]
