

A good Ferrari 458 died to make the Mansory Siracusa [Tuner Cars]

02/03/2011 21:57 by admin

Discontent with just one assault on visual acuity, Mansory also unleashed the Siracusa, which wraps the slightly-tweaked guts of a Ferrari 458 Italia in a carbon-fiber puff pastry painted a color I call radioactive urine. What has been seen cannot be unseen.[...]
