

Geneva 2011: Brabus 700 Biturbo is One Mean Mercedes-Benz SLS AMG

04/03/2011 01:13 by admin

The Mercedes-Benz SLS AMG is the car most tuners wanted to put their mark on at this year's Geneva Motor Show. Brabus of course, couldn't miss out on this party, so here's what they came up with: a 700 horsepower wide-body version of an already impressive supercar. Called the 700 Biturbo, Brabus' iteration of the SLS AMG received the Widestar[...]
