

Geneva 2011: Mansory's Take on the New Porsche Cayenne Turbo Comes with 690HP

04/03/2011 20:28 by admin

Mansory put up quite a show in Geneva this week as the tuning house unveiled no less than three world premieres. Aside from the Mercedes SLS AMG Corneum and the Ferrari 458 Italia Siracusa, that we've already told you about, the tuner's Swiss subsidiary also revealed a new program for the latest generation of the Porsche Cayenne Turbo SUV. The[...]
